

20260428 Lets All Follow the Lead of Donald Trump

Seriously, everyone wants to find the easiest way to get what they want? Everyone wants to obtain power without regard to moral principles or the consequences of others?

'Let's get it on' as they say!

Let's start this Battle Royal!

Let's start this Royal Rumble!

Let's start this cage match!

Let's start this one giant battle of King of the Hill!

Until we have one fat, giant, retarded, loser like Donald Trump lording over a demolished and fallen world.

Follow him around, press! Follow his bullshit antics! Show him doing this. Show him doing that!

Help him and his swarm of bees gather their honey from the entire world as we all fight to the death over becoming the next one to oppose him in the world.

THAT IS THE SYSTEM THAT YOU ALL CREATED!

THAT IS THE 'AMERICAN WAY'!

THAT IS SATANISM - AND YOU ARE ALL - EVERY SINGLE FUCKING ONE OF YOU ASSHOLES - PARTICIPATING IN THIS BULLSHIT.

OUR WORLD IS SUPER-FUCKED BECAUSE OF YOUR INABILITY AND UNWILLINGNESS TO CALL A SPADE A SPADE AND TO DO WHAT IS RIGHT FOR GOD, AND GOD'S PEOPLE.

You are a weak group of losers and you will all fall to the weakest loser around - just like you all fell to the 'iron' willpower of Donald Fucking Chump - willing to do anything and everything to satisfy his own personal desires at all costs.

These are called warlords, idiots. We are all hunting for the diamonds now. We are all our own personal warlords, now. Fuck you all. Every man for themselves, right?! Let's fucking do this!

You are facilitating their wars. You are enabling their con game.

So, let's get this party started already.

Who's got the nukes?

Why bother with some silent, slow, death? What are we all willing to die inside the grip of an Anaconda? Let em fly!

If you don't fight for it then they will take it from you.
So make your choice world.

Duke, Nuke Em! Let's go!
